

FORMAL FOUNDER, CONCEPT & TECHNOLOGY RECORD

4maThis AI • 4maxxAI • ComePany Business/Personal
EXECUTION COPY — DATED SEPTEMBER 27, 2026

Founder / Declarant: Wesley Bryant

Execution date: September 27, 2026

Status: Founder execution copy — signature to be completed by the Founder; notary certificate to be completed by the notary.

DOCUMENT PURPOSE

This document records the intended separation of the business/company, technology/platform, and product/service layers of the 4MAXX concept, together with the Founder's description of the related AI vision and development direction.

CORE STRUCTURE

Layer	Name	Role
BUSINESS / COMPANY	4maThis AI	Business/company intended to develop, operate, commercialize, and manage the technology and products.
TECHNOLOGY / PLATFORM	4maxxAI	Underlying AI technology/platform intended to power personalized personal-life and business-life assistance.
PRODUCT / SERVICE	ComePany Business/Personal	Product/service intended to use 4maxxAI to provide an AI companion and assistant across personal and business life.

FOUNDER DECLARATION

I, Wesley Bryant, declare that I have reviewed this record and that the business, technology, and product structure described herein reflects the concepts I intend this document to record as of September 27, 2026. I intentionally distinguish 4maThis AI as the business/company, 4maxxAI as the technology/platform, and ComePany Business/Personal as the product/service.

4maThis AI — BUSINESS / COMPANY

4maThis AI is designated as the business/company layer intended to develop, organize, operate, license, market, and/or commercialize 4maxxAI and products such as ComePany Business/Personal, subject to applicable registrations, contracts, intellectual-property rights, and law.

4maxxAI — TECHNOLOGY / PLATFORM

4maxxAI is designated as the underlying AI technology/platform. The concept includes personalized AI interaction, authorized persistent context and memory, personal and business assistance, integrations, user permissions and privacy controls, and a future ecosystem that may include dedicated AI hardware.

ComePany Business/Personal — PRODUCT / SERVICE

ComePany Business/Personal is designated as the principal product/service concept powered by 4maxxAI. It is intended to combine personal-life and business-life AI assistance in one personalized experience, potentially through software, voice, connected services, and a dedicated AI companion device.

INTELLECTUAL-PROPERTY RECORD

This document is a contemporaneous founder record. Notarization does not by itself establish patent, trademark, copyright, or trade-secret rights. Formal IP protection should be evaluated through the appropriate legal filings, assignments, agreements, confidentiality measures,

and other instruments.
